SERIOUS YET FUN TENNIS!

Crouching Tiger Tennis, led by Marcos Manqueros, has over 35 years successfully teaching and directing quality tennis programs at top private clubs and schools in Asia. We offer comprehensive programs that cater to players of all levels, starting from basic coordination and racquet skills to advanced techniques.

Tiger Tots Tennis 3-6 years

We teach hand-eye-ball skills and racquet control with soft balls and mini nets. This is a fantastic introduction to tennis, aiming to foster a long-term interest in the sport for your little one.

Tiger Junior Tennis 7-15 years

We emphasize proper technique and tennis skills and hit a lot of balls! The goal of our junior program is to enable players to lead into high school and college tennis and enjoy the game for life. They will participate in fun games as well as proper matches and competition.

Teen and Adult Tennis 14 and above

We help and lead aspiring intermediate and advanced teens and adults to achieve their competitive goals of teams, leagues, tournament play and social competition.
